

## November 2023

November is here and the smell of Fall is in the air! Please remember to dress your child for the weather as it changes daily in Ohio! We consistently have leftover coats in the lost in found so please have your child check there if they are missing a coat.

1<sup>st</sup> quarter is over already! Typically this entails a lot of review for the students so please push your child to keep working hard, studying, and reading daily. There is no greater skill than the power to read. Reading 10 minutes a night can improve a child's reading ability tremendously over the course of the school year. This is also a great way to calm down before sleeping.

Events: We have had such great turnouts for Grandfriend's Day, Donuts for Dads, Title I Reading Night, and Open House! The students had an amazing time celebrating our Fiesta Day for Hispanic Heritage month and our Fall Campout! A huge thank you goes out to Casa Fiesta for the donation of Chips and Salsa and to El Aguila bakery for the discounted pinatas!

**Online School Store:** Remember you can order from the online school store all school year if you're looking to buy items from Wal Mart, Best Buy, Gap, and many other stores. A portion of the proceeds goes back to our PTO to help with field trips and classroom supplies.

Please contact the school if you are looking to help out our school PTO! Let's make 2<sup>nd</sup> quarter Amazing! Keep pushing your children to read!

With Kids in Mind,

Chris Ward, Principal

## ABSENCES AND LEAVING EARLY

School hours are from 9:00 am to 3:30 pm. The **first bell rings at 8:45 am** for the students to enter the building. There is a strong correlation between good school attendance and academic success. Please make every effort to make sure your child is in attendance regularly to receive the full benefit of school. Students will be considered tardy/late to school if they are not in their classroom at 9:00. If you know your child will be out of school due to illness or any type of absence, please call the office at 419-332-5361 before 9:30 am. Anyone picking up or dropping off a student during school hours needs to sign them in/out in the office. **A note from the custodial parent needs to be sent to school in the morning if the child will be leaving during school hours. We cannot release a child to anyone other than the custodial parent during the school day without a written note from the parent.**

## Attendance Policy

- Students are allotted 5 days of excused absences without a doctor's note in one school year.
- After 5 days of excused absences a doctor's note is needed. Otherwise absences will be considered "unexcused".

## Habitual Truancy

- 30 or more consecutive hours without a legitimate excuse
- 42 or more hours in one school month without a legitimate excuse
- 72 or more hours in one school year without a legitimate excuse

**ATTEND TODAY ACHIEVE  
TOMORROW!  
ATTENDANCE COUNTS!  
ALL DAY EVERYDAY!**

# STAFF

**Mobile Dentist** On November 28<sup>th</sup> and 29<sup>th</sup>, the Mobile Dentist will be setting up an office at Atkinson Elementary. This is a preventive dental care program that offers examinations, cleanings, fluoride treatments, X-rays and sealants in the school setting. The Smile Program can provide care to everyone and offers financial assistance to families in need. All Participants receive a toothbrush. Complete the form your child is bringing home and return it to school.

According to the information from the Smile Program, poor oral health may lead to poor nutrition due to difficulty eating, decreased growth and an increase of bacteria in the blood and respiratory systems.

To learn more about the Mobile Dentist Smile Program visit their web site at [www.mobiledentists.com](http://www.mobiledentists.com) and watch the video on preventive dental care. If you have questions call the Mobile Dentist at 1-888-833-8441 or Atkinson School at 419-332-5361.

Colleen Osborne BSN,RN-LSN – School Nurse

## NURSE'S CORNER

### Physical Activity and Youth

Participation in physical activity is beneficial to children and adolescents. Regular physical activity contributes to overall health and well-being.

#### Benefits of Regular Physical Activity:

- Helps control weight.
- Builds and maintains healthy bones and muscles
- Reduces the risk of developing obesity and diseases such as diabetes, heart disease and colon cancer.
- Reduces feelings of depression and anxiety.
- Helps improve students' academic performance.

**Children and adolescents should do 60 minutes or more of physical activity each day. Most of your child's 60 minutes of daily activity should be aerobic physical activity, such as bicycling, brisk walking, running, dancing, or swimming. In addition to aerobic activity, kids should do some age-appropriate muscle and bone-strengthening physical activities, such as cheerleading, gymnastics, playing basketball, sit-ups or crunches, jumping rope, or swinging on playground equipment. The recommended 60 minutes of physical activity each day does not have to be done all at one time, and can be split into increments throughout the day, for example two 30-minute periods or four 15-minute periods.**

**Physical activity can be increased by reducing sedentary time such as watching television and playing video games. Physical activity should be fun for children and adolescents. Parents should try to be role models for active lifestyles and provide children with opportunities for increased physical activity.**

#### Sandusky County Health Department Fremont

Monday - Wednesday 8:00 am to 4:00pm

Thursday 8:00am to 6:00pm

Friday 8:00 am to 2:00 pm

SCPH provides childhood and adult immunizations. Clinics are by appointment only. Medicaid and some private insurances accepted. Parents/Legal guardians must bring the child's immunization record to the immunization appointment. Please call 419-334-6367 to schedule an appointment or for questions.
