

November 2024

Dear Croghan Elementary Families,

The Importance of Attendance and Being On Time

At Croghan Elementary, we are committed to providing the best learning experience for each of our students, and being present and on time is crucial to that experience. Students who are tardy often miss key intervention times, which are essential opportunities for personalized support and skill-building. Help your child succeed by ensuring they arrive on time and are ready to start their day with us!

PTO News & Volunteer Opportunities

Croghan PTO is looking for volunteers! Here's how you can help:

1. **School Store:** Every Friday from 8:00 – 9:30 AM, students look forward to visiting the school store. We'd need volunteers to help manage the store. You can sign up for any Friday that works for you!
2. **Fall Ball:** Join us in making the Fall Ball on November 22nd a memorable night for our Preschool through second grade students. Volunteers are needed from 5:30 – 8:00 PM to help with set-up, serving refreshments, and clean-up. You can sign up to help for one hour or the entire night! You do not have to have a child in preschool to second grade to volunteer!
3. **PTO Meetings:** We welcome all families to attend our PTO meetings, held on the second Tuesday of each month at 5:30 PM in the Croghan cafeteria. This is a great way to get involved, stay informed, and connect with other parents!

If you are interested in volunteering for any of these opportunities or have any questions please contact the Croghan Office at 419-332-1522

November - A Month of Thanks and Gratitude

November is a time for reflection and appreciation. We are thankful for our Croghan students and the opportunity to learn, grow, and thrive every day. It's truly a blessing to be part of such a supportive and vibrant school community. We'd also like to thank all who attended our recent student-led conferences. It was wonderful to see students taking pride in their accomplishments and setting new goals for the year ahead.

Thank you for your ongoing support and dedication to making Croghan Elementary the best it can be!

Hello Croghan Families!

We celebrated Red Ribbon Week in October. The theme was "Life is a movie: Film Drug free." This theme was a call to action to speak out in support of healthy choices. Students were reminded that by staying drug free, they are sending a message to themselves and others about how much they value themselves, their overall health and their future.

Please talk to your children about how important it is to make healthy choices now and for their future. Create goals with your children in ways they can continue making healthy choices. This aligns with our word of the month for October which was Responsibility: taking action and understanding the impact of our choices. We want the best for all of our students and can't wait to see what they will achieve!

Mrs. Avants, Guidance Counselor

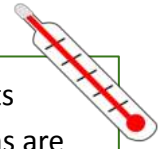

Lunch Notes

- Lunch and Breakfast is free of charge for this year at all buildings
- No fast food or food from other establishments is allowed in the cafeteria
 - Packers may buy a milk for \$.50
- Money can be added to student's account for milk with cash or check (payable to Fremont City Schools) or online through www.fremontcity.familyportal.cloud

Nurse's Corner

With cold, flu and stomach bug season in full swing, we ask that students experiencing the following symptoms be kept home until their symptoms are **resolved for at least 24 hours to reduce the spread of infection:**

- **Fever (100.5 or above)**
- **Vomiting (from illness)**
- **Diarrhea**
- **Red painful eyes (with drainage or crusting)**
- **Unusual rash**
- **Difficulty breathing or severe cough**
- **Any symptoms that that require more care than what can be provided in school**

If your child experiences one of these symptoms above while at school, they will be sent home (excused). When students come to the health office and DO NOT have the symptoms listed above and have minor complaints, we often try to encourage them to “stick it out.” Sometimes, if your student makes multiple visits or has unusual complaints, we will call, text, or email you as a courtesy so that you can help us decide the next best course of action. Parents are welcome to pick up their children for minor illness/complaints however these absences may not be excused by the nurse. If your child has a chronic condition that they are missing school for frequently, let's work together to come up with a plan! I am always happy to help.

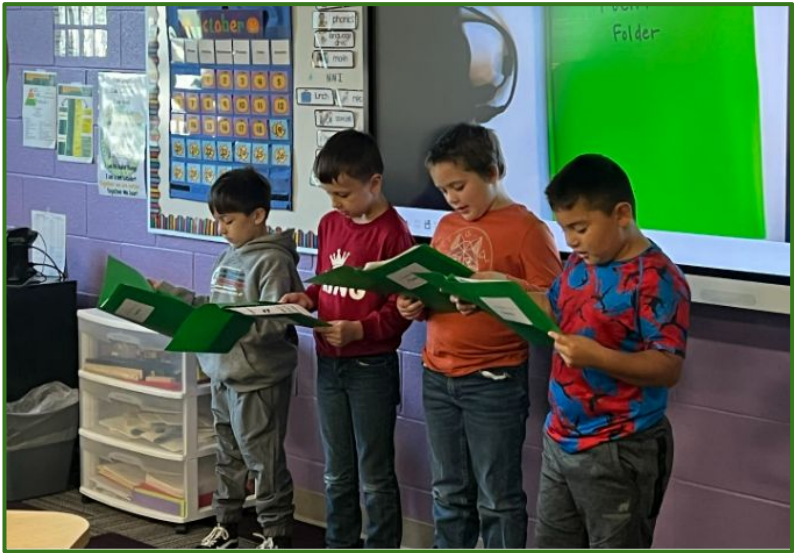

PTO meets the second Tuesday of each month at 5:30pm in the Croghan Cafeteria. New families are always welcome!

Please remember to put your child's name in their coat and lunch bag so that the item can be returned to your child if it is misplaced.
