Hello Lutz Families!

Happy February! We are excited for another wonderful month filled with learning, fun, and special events.

In January, we had an awesome assembly by Imagination Station, where students were dazzled with science experiments and demonstrations. We also had our Lutz Spelling Bee. Congratulations to all our participants and winners!

Also, in January, students completed their iReady Diagnostic, and we saw some amazing growth. We are so excited to see our students' gains in reading and math! Teachers will contact parents to update them on student progress over the next few weeks.

On February 21st, we will have our first Lutz Bingo Night. Look for more information in the coming weeks! We look forward to spending time with our Lutz families and appreciate all you do to support our students and school.

Honesty Overview

This month's focus is Honesty. One way to think about Honesty is "being truthful in what you say and do." Practicing Honesty helps strengthen our relationships and even reduces stress.

Honesty is 1 of 3 traits we will focus on throughout the year that helps students **Be Well**. Across grade levels, students will be developing skills like emotion regulation, positive self-talk, and stress-management.

Conversation Starters

- Can you share or show what it means to practice Honesty?
- What is 1 way you can be more Honest with others?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Honesty. Here are 2 "PurposeFull Pursuits" you can complete together!

#1

Review Honesty as a family! Honesty is being truthful in what you say and do. Discuss the importance of being Honest and work together to create a family Honesty pledge. Create and decorate a sign together that explains what Honesty means in your family. Have each family member sign the pledge and choose a spot to display it. Refer back to the pledge as a reminder to be Honest and to celebrate when Honesty is practiced!

#2

Set aside some time to gather as a family and check in with each other. Ask each family member, "How are you feeling today?" Practice Honesty when responding and listen carefully as each family member shares. Use the emotion check-in questions to learn more. Challenge yourselves to check in with each other on a regular basis!

Emotion Check-In Questions:

- Tell me more about that feeling.
- Why do you think you are feeling that emotion?
- What do you need right now?

From the School Nurse:

This is the time of year when a lot of sickness is going around. In an effort to reduce the spread of illnesses, ***please remember to keep your child home until they have been vomit or diarrhea-free for at least 24 hours and/or fever-free for 24 hours without medication.*** Thank you for helping to keep everyone healthy at school.
